Revised Draft

Read:

Letter No. 513 dated 27th.April/2nd.May 1904 from the Deputy Commissioner and President, District Board, Hassan, submitting a statement shewing the names of gentlemen proposed to be appointed as Members of the Panchyats for the Unions in the District and proposing to appoint non-official members as Chairmen of the Pancha--yats of the several Unions.

Order thereon. No 4819-26 / L.7.125-03 8/6/04

To ensure the success of the new scheme, it is, in the opinion of Government, highly desirabl that all the newly created Unions should have the benefit of competent official guidance during the initial stage of their existence. Government are unwilling that this guidance to which the local bodies have long been accustomed should, in fairness to them, be all at once withdrawn. Government are not therefore prepared to sanction the the President's proposal to appoint on this, the first, occasion non-official gentlemen as Chairmen of the Unions to be newly constituted. The Amildars of the several Taluks to which belong the Unions will be appointed as Chairmen of the respective Unions, ~~pro tempore and subject to a report from the President at the end of the year 1904-05 as to whether the substitution of non--official for official element in this respect could be ordered with advantage and without prejudice to public interests. The change, however desirable, must be a growth of time and experience.~~

2. The other appointments proposed are sanctioned and will be duly notified in the Gazette.
